

# Hasan Al Mahmud Sakib

Junior Full Stack Developer

+880 1842-001223 · hamsakib03@gmail.com · Dhaka, Bangladesh · [GitHub](#) · [LinkedIn](#) · [Portfolio](#)

## CAREER OBJECTIVE

Passionate Junior Full Stack Developer pursuing a BSc in CSE at North South University. I build web applications, automation systems, and AI-powered tools — delivering senior-level output by leveraging cutting-edge AI to ship faster without sacrificing quality.

## TECHNICAL SKILLS

**Languages:** JavaScript (ES6+), Python, HTML5, CSS3  
**Frontend:** React.js, Vite, Tailwind CSS, Framer Motion, React Router DOM  
**Backend & DB:** Node.js, Express.js, MongoDB, Mongoose  
**Auth & APIs:** Firebase Auth (Email/Password, Google OAuth), REST APIs  
**Tools:** Git, GitHub, Vercel, Render, Railway, VS Code, Cursor, npm  
**AI Stack:** Claude API, OpenAI/GPT-4o, GitHub Copilot, LangChain, n8n, Playwright, Prompt Engineering

## PROJECTS

**ReelScout | Instagram Influencer Analytics Platform** | [Live](#) · [GitHub](#)

- Intercepts Instagram's private XHR endpoints via Playwright for real view/play count data
- 1-hour cache with force-refresh UI; influencer scoring; deployed live on Railway

Node.js · Express · Python · Playwright · Railway · Vanilla JS

**InstaAutomator | Instagram Growth Automation Engine** | [GitHub](#)

- Persistent browser session management (cookie + localStorage serialization)
- Human-like timing randomization; configurable automation rules via JSON config

Python · Playwright · JSON · Browser Automation

**KeenKeeper | Goal & Habit Tracking App** | [GitHub](#)

- Timezone-aware streak preservation; visual progress rings and completion grids
- Fully offline with localStorage persistence; mobile-first responsive design

React 19 · Vite · JavaScript · CSS3 · LocalStorage

**Pluto MMC | Media & Marketing Company Website** | [GitHub](#)

- Cinematic hero + scroll-triggered Framer Motion reveals; interactive service cards
- Lighthouse score above 90; sub-100ms page loads with Vite bundling

React 19 · Vite · Framer Motion · JavaScript · CSS3

## EDUCATION

**BSc in Computer Science & Engineering** — North South University, Dhaka | 4th Year | 2021 – Present (Bangladesh's #1 Private University)

## EXTRA-CURRICULAR ACTIVITIES

- Active volunteer and team contributor in collaborative university and community projects
- Participated in group coding and problem-solving initiatives as part of peer learning programs

## LANGUAGES

Bengali — Native | English — Professional Proficiency (IELTS 7.5 Overall)
